April 13, 2001

Ladies and Gentlemen:

Montana Fish, Wildlife & Parks proposes to reconstruct a small parking lot that was impacted with the stream restoration project recently completed. In addition to the parking lot the Department will also install a concrete accessible latrine with sidewalk linkage to the parking lot and trail system. This parking lot will provide safe vehicle parking opportunity for fishermen and riparian trail users. The parking lot is proposed to be large enough for eight cars (approximately the size of the old parking lot), and three school buses.

To obtain a copy of the Draft Environmental Assessment contact FWP Region Four Headquarters at 4600 Giant Springs Road, Great Falls MT 59405 or call 454-5840. Comments will be accepted until 5:00 p.m., May 18, 2001.

Questions concerning this project should be directed to David Todd, Region Four - FWP, 4600 Giant Springs Road, Great Falls MT 59405 or by calling (406) 454-5840.

In an effort to reduce unnecessary mailings we would appreciate a note or a call if you do not wish to be on our **Brewery Flats Parking Lot & Latrine** Environmental Assessment mailing list. This list is extensive and we only want people who are interested to receive them. In addition if you have any friends or neighbors who wish to be on the list just call and we will add them to the list.

Thanks for your interest and help with this project.

Sincerely,

Mike Aderhold  
Regional Supervisor
